Dear Mr. Hedburg:

At the request of Ms. Valerie Wohlleber, President of Tenneco Minerals - Utah, Inc. (TMCU), I have prepared the attached legal descriptions and ultimate disturbed area maps for the Tenneco Goldstrike mine in Washington County, Utah. Note that the maps have been prepared at a scale of 1"=200 feet and that the township and range section boundaries are shown on the maps. Please let me know if the form of the legal descriptions is acceptable. Per your request, we tried to duplicate the format of Attachment "A" of the reclamation contract form and Attachment "1" of the Surety Bond form.

Please contact me should require any further information with regard to this matter.

Sincerely,

Robert J. Bayer
Vice President
